thank you for giving toka a place in your fridge and on your table. we make it the slow way: small batches, a living culture, bottled by hand in beirut. every bottle is tended to until it's ready, never rushed. thank you for pouring it with care and sharing it with the people around you. welcome to the toka family.

STORAGE

keep refrigerated at all times, 1–4°C, and store upright. naturally carbonated, so open it chilled.

drink alive.
